**ORDER:**

M/s.V.S.Computers(earlier name was M/s.Mahidhar Computer Enterprises), earlier prepared the ACDP client-server based application software with a price of Rs. 27,900/- for each district. The unique features of the software were to make entries easily in work insertions, updations, cancellation and taking prints various kind of statements viz., ACDP saving funds, year-wise, work-wise and Constituency-wise can work with many users at the same time. The software was useful to the Chief Planning Officers for generating various types of reports at district level to use in various meetings. (12) districts in the State purchased and installed the above ACDP Client-Server based application software. Government in the Memo.1<sup>st</sup> read above permitted all the Chief Planning Officers in the State to meet the expenditure relating to the cost of the software from the 0.5% contingent funds available in the districts under the ACDP scheme.

2. M/s.V.S.Computers, Machilipatnam, Krishna district vide reference 2<sup>nd</sup> read above have now come forward to develop an application software designed as Constituency Level Developmental Monitoring System(CLDMS) Client Server application in the districts and design website for printing the State Level reports for monitoring implementation of the CDP, SDF and MPLAD schemes through internet system from A.P.Secretariat, Hyderabad.

3. Accordingly a Committee has been constituted under the chairmanship of the Director(T), APSRAC along with (4) other Members for finalizing the specifications and also negotiating the rates in purchasing the software for monitoring implementation of the CDP, SDF and MPLAD schemes in the State in the reference 3<sup>rd</sup> read above. The Committee has met on 23.2.2013 and submitted its report in the matter.

4. After careful examination of the report of the Committee, Government have decided to issue work order to M/s.V.S.Computers, Machilipatnam, Krishna district to develop the CLDMS application software for use in implementation of the CDP, SDF and MPLAD schemes and design the website for viewing and getting printed copies of the reports of all districts for monitoring the above (3) schemes, duly following the proposals and recommendations of the Committee as shown below:
